Tor Books Acquires V. E. Schwab’s BURY OUR BONES IN THE MIDNIGHT SOIL

June 12, 2024 – Tor Books announced today via the Associated Press the acquisition of a new book by #1 New York Times bestseller V. E. Schwab. Executive editor Miriam Weinberg acquired North American rights in a 2 million dollar deal, brokered by Holly Root of Root Literary. BURY OUR BONES IN THE MIDNIGHT SOIL will publish on June 10, 2025 with an announced market distribution of 500,000 copies. Schwab will sign the entire first print run.

Of the acquisition, Schwab says “Whether writing about supervillains, or magic across multiple worlds, or deals with the devil, the fact is that over the last 10 years, Tor has supported my ideas, nurtured my ambition, and championed my work. This new book about hunger and rage is no different. Thanks to my editor, Miriam, my books have grown in every way. Thanks to the entire team at Tor, they have gone from reaching thousands of readers to millions. This book is my bones, my blood, my heart. And I know it's in the best of hands with Tor.”

Weinberg echoes, “Working with V over the last decade has been a one-of-a-kind journey through craft and imagination--it’s truly a joy and a gift to witness the power of her storytelling talents. BURY OUR BONES IN THE MIDNIGHT SOIL is a fierce, dazzling read that’s sure to electrify and enchant.”

VICTORIA “V. E.” SCHWAB is the #1 New York Times bestselling author of more than twenty books, including the acclaimed Shades universe, the Villains series, the City of Ghosts series, Gallant, The Invisible Life of Addie LaRue and The Fragile Threads of Power. When not haunting Paris streets or trudging up English hillsides, she lives in Edinburgh, Scotland, and is usually tucked in the corner of a coffee shop, dreaming up monsters.
